

COVID-19 Prayer Guide
Prepared by Kathy Howard

Prayer is not a last resort. Prayer is our most powerful weapon against this deadly foe. I hope this COVID-19 Prayer Guide will be a helpful resource for you and others in the days ahead.

Begin with praise:

God you are sovereign and all-powerful. You are able to stop this virus now, but for reasons we cannot understand, You are allowing it to continue and we trust You. You are holy and righteous and all Your acts are just. We ask that Your purposes will prevail.

Ask for God's intervention:

Lord, we know that you see everything happening here and care about every person. We ask that You will extend Your mercy and grace to all. Stop COVID-19 in its tracks. Stop the spread and eliminate its threat. Work in ways that display Your power and bring glory to Your name.
